Old at 40? Beware Kidney Acidity

Old at 40? Beware Kidney Acidity. It's not just old age, it's kidney acidity. It's the acid in your blood that makes you feel old. It's the acid that makes you feel tired, nervous, and irritable. It's the acid that makes you feel like you're carrying a heavy load. It's the acid that makes you feel like you're falling apart. It's the acid that makes you feel like you're old at 40.
